Visitor parking is available on the south and east side of the building in the designated areas. While the sign says it's limited to two hours, I have been assured by management that visitors staying longer will not be ticketed or towed. There is also parking on the street, which is limited to two hours. After entering the building, take the elevator to the 9th floor, and then turn right to get to Suite 901. #5 is straight down the hall. Please have a seat in the waiting area; I'll come get you at the time of your appointment. Thank you!
